§ 250.29

paragraph (c)(2) of this section, except pursuant to a declaration under section 12(c) of the Act.

(d) No registered holding company which is not a public utility company shall dispose, without authorization from the Commission, of any accounts, books, or other records, except pursuant to 17 CFR part 257.

(e) This rule shall not modify or revoke any order of the Commission heretofore entered as to the accounting by any company subject to this rule including any continuing provision as to amortization or other disposition of any item governed thereby.

(f) Nothing in this rule shall relieve any company subject thereto from compliance with the requirements as to recordkeeping and retention that may be prescribed by any other regulatory agency.

(g) Any references in other rules, forms or releases under the Act to the uniform system of accounts shall be hereafter deemed to refer to this rule.

[40 FR 22129, May 21, 1975, as amended at 49 FR 27309, July 3, 1984; 59 FR 21927, Apr. 28, 1994]

§ 250.27 Classification of accounts prescribed for utility companies not already subject thereto.

(a) Every registered holding company and subsidiary thereof, which is a public utility company and which is not required by either the Federal Energy Regulatory Commission or a State commission to conform to a classification of accounts, shall keep its accounts, insofar as it is an electric utility company, in the manner currently prescribed for similar companies by the Federal Energy Regulatory Commission or, and insofar as it is a gas utility company, in the manner currently recommended by the National Association of Railroad and Utilities Commissioners, except any company whose public utility activities are so limited that the application to it of such system of accounts is clearly inappropriate. A company claiming that its activities are thus limited, shall apply to the Commission for written instructions to that effect.

(b) All references, in the systems of accounts made applicable by paragraph (a) of this section, to the authority pre-

scribing the same and to orders and instructions by, and reports to, said authority, shall be deemed to refer to the Securities and Exchange Commission as the "Commission" thereby designated.

[Rule U, 6 FR 2015, Apr. 19, 1941, as amended at 8 FR 15814, Nov. 23, 1943; 59 FR 21927, Apr. 28, 1994]

§ 250.28 Inconsistent financial statements.

Except as otherwise authorized or required by the Commission by rule, regulation, order, statement of administrative policy, or otherwise, no registered holding company or subsidiary company thereof shall distribute to its security holders, or publish, financial statements which are inconsistent with the book accounts of such company or financial statements filed with this Commission by, or on behalf of, such company. This section shall not be deemed to prevent the distribution or publication of reasonable condensations or of unaudited financial statements or of financial statements (on a cash or other basis) pursuant to the requirements of an indenture or mortgage given to secure bonds or similar instruments, or of appropriate financial statements of a receiver or trustee appointed by a court of the United States.

§ 250.29 Filing of reports to State Commissions.

PRELIMINARY NOTE: Reports to State Commissions shall be submitted to the Commission in paper only, whether or not the filer is otherwise required to file in electronic format.

A copy of each annual report submitted by any registered holding company or any subsidiary thereof to a State Commission covering operations not reported to the Federal Energy Regulatory Commission shall be filed with the Securities and Exchange Commission no later than ten days after such submission.
